

#### PUBLIC RECOGNITION

The AEEC is recognised as the premier destination for public events in South Australia. All of the state's major public exhibitions are staged at the AEEC. The public of Adelaide are familiar with our facilities and how to get here. They are comfortable here with the surroundings and have positive memories of previous visits to the venue.

Adelaide Event & Exhibition Centre is designed to create experiences that genuinely engage your audience.

We combine versatility and stunning facilities to deliver a great experience.

# THINK BIG.

## UNMATCHED FACILITIES

Following the completion of a \$50 million major redevelopment, the Adelaide Event & Exhibition Centre – AEEC was created as a dedicated events business operating under the banner of the Adelaide Showground.

We combine diverse and multipurpose venues to offer an array of variable spaces for all types of events. The perfect combination of outdoor spaces and premium exhibition areas are the perfect solution for special events.

The AEEC features 26,300sqm of flexible, air-conditioned space in a variety of pavilions ranging from 300sqm to 8,700sqm.

As a world-class exhibition centre of international calibre, our exhibition venues were designed to meet the needs of event organisers in terms of capacity, capability, loading, infrastructure and facilities.

Our unmatched facilities offer the scale and capability to present quality events in a wide range of audiences.

# INSIDE

16,000 square-metres of landscaped outdoor plazas – complete with sustainable planter beds, water features, grassed areas and feature lighting – making the AEEC ideal for a wide variety of events that require unique outdoor spaces.

## A POSITIVE EXPERIENCE

Adelaide Event & Exhibition Centre has a customer-focused approach to the presentation of events and our team is dedicated to supporting event managers as well as offering the complete positive experience for the visitor.

The venue offers a comprehensive range of services – equipment hire, electrical installation, cleaning,

security, telecommunications and plumbing – and visitor amenities – food and beverage, modern toilets and parenting rooms, ATM's, and first aid.

Venues are fully serviced with electrical, water, waste, gas and wireless internet.
